

## About BRF

# "Welcome to Beenu Rajpoot Films"

## GIVING WINGS TO YOUR STORIES

**Beenu Rajpoot Films** is Delhi based well known fully equipped film production house established in 2012 by Beenu Rajpoot to oversee the production of valuable cinema. Which is 'Giving Wings to your Stories' from the last one and half decade. Over the past decade, Beenu Rajpoot Films has produced several dedicated documentaries and TV content, which are not only provocative to the society but also beautifully depicts the tangible Indian culture. And today Beenu Rajpoot Films is a wholly integrated set up equipped to handle the entire film pipeline – from a raw idea to the final product with full of perfection. Because we believe in doing everything till its perfection. Perfection is not in doing extraordinary things, but in doing ordinary things in extraordinary ways. Some stories need to be told cinematically – and we take up those narratives with fervent passion backed by strong writing, production and editing skills that make the subject matter come alive. Other than film productions we also offer few other services such as branding, digital marketing and web design & development. At every step we try our best to turn your ideas into reality.

## PRODUCTIONS

Over the years we have worked pan India from remote villages, cities, forests, mountains to deserts. With our experience in every field and our extensive network, we can make your dream production a reality! Beenu Rajpoot Films provides complete coordination for film production in India. From concept development, research and permissions, rentals to actual shoot and production coordination we have complete solutions under one roof. Our own productions and making films for the past 12 years, our diverse network and production experience across the country helps us to better understand and deal with the immediate needs of a production.

***Lights...Camera...Action...Lets feel the power of Films!!***

## OUR SERVICES

**Films** – Beenu Rajpoot Films was established in 2012 by Beenu Rajpoot to oversee the production of valuable cinema. BRF has produced over 50 documentary films, directed over a hundred Hindi/English/Punjabi songs and a few art and fiction films. Currently working on web series as well. The studio has now grown into a fully equipped production house that produces content for films and television. With over 10 years of filmmaking experience, the studio is a fully unified set up that is equipped to handle the entire film pipeline from an idea to the final product. The creative impulse at Beenu Rajpoot Films is dynamic which is driven to work on socially and environmentally responsible ideas.

**Branding** – A brand is the essence of one's own unique story which is the set of expectations, memories, stories and relationships that, taken together, account for a consumer's decision to choose one product or service over another. BRF has so far done branding of many companies which are today established as well-known companies. For personal branding of a person BRF plays a vital role as a mentor for that person, Beenu Rajpoot herself guides them as a mentor at every single step to reach their goal of success. Till now BRF has also done personal branding of many people. Today they are well recognized in their respective fields and have become some famous influencers who are doing tremendous work.

**Digital Marketing** – Digital marketing is the component of marketing that uses the Internet and online based digital technologies such as desktop computers, mobile phones and other digital media and platforms to promote products and services. In today's era, the digital market is a huge platform to showcase your work with new creative ideas in front of the whole world. We help you to expand your network using digital market promotions. In this fast evolving Internet age, the right Digital Marketing solutions from the best Digital Marketing Company in Delhi NCR can

facilitate a powerful connection between your potential customers and your brand, ultimately leading to an improved brand recall.

**Web Design & Development** – Your website is the first impression of your company and speaks volumes about your work, not just in terms of the information that it carries but more importantly through the experience it gives to website visitors. BRF provides best services for custom web design and development worldwide. We design and develop customized websites keeping in mind the specific requirements of our customers and establish their unique brand identity. Through uniquely designed pages, carefully selected images, compelling content on every page and intuitive navigation, we provide an immersive experience for users. We believe in developing solutions that serve you with enhanced utility for a long period of time. We offer a wide range of web design and development services as per the customers' requirements.
